## Zugangsdaten

Für die erst Anmeldung müssen die Zugangsdaten angelegt werden.

Es kann sein dass diese nach einem Jahr wieder von Siemens gelöscht werden, wenn sie in diesem Zeitraum nicht verwendet werden.

The image shows a screenshot of the WebKey login interface. At the top, there is a header image of a bunch of keys with a red key labeled 'WebKey'. Below this is the 'WebKey Login' section. It contains a welcome message, two input fields for 'WebKey Username' and 'WebKey Password', and a 'sign in' button. There are also links for 'Forgot your Webkey User Name / Password / or Change Password'. Below the login section is a 'New Users' section with instructions on how to register and activate. A 'Problems' section provides contact information for users having issues. At the bottom, there is a disclaimer and copyright information.

### WebKey Login

Welcome to the webkey login! The application you tried to access requires your authentication. By using the login method below your access to the retrieved application - and to other applications protected by webkey - will be granted. (So called "Single Sign-On")

## Webzugang erstellen

- Nach dem Ausfüllen der Firmen Daten müssen Sie ein Kennwort eingeben, damit alle 5 Punkte erfüllt sind.
- Zum Schluss bekommen Sie noch eine Aktivierungs-E-Mail auf die angegebene Adresse, die Sie bestätigen müssen.
- Dieser Zugang gilt auch für den Download des gesamten GTAC Bereichs.

The screenshot shows the Siemens WebKey Registration form. At the top left is the Siemens logo. The page title is 'WebKey Registration' and 'WebKey Account Request'. There is a 'HelpFAQ' link. A note states: 'NOTE: Note: Enter your name, phone number and Email Address. Please make sure that your Email Address is correct since the activation link will be sent directly to that address.' The form fields are: First Name (Max), Last Name (Mustermann), International Dial Code (43 AUSTRIA), Phone AreaCode (732), Phone Number, Email Address, and Verify Email Address. Below these is a section for creating a username and password. The username field is empty. The password field is filled with dots. To the right of the password field are five green checkmarks corresponding to the following requirements: 'Be at least 8 characters long', 'Contain an upper-case letter', 'Contain a lower-case letter', 'Contain a number', and 'Contain one special character'. Below the password field is a 'Retype Password' field, also filled with dots, with a green checkmark and the text 'Passwords must match'. At the bottom, there is a checkbox for 'Sign up to receive up to date information on product launches, user groups, webinars, white papers, and other hot topics in product lifecycle management at Siemens PLM Software.' which is checked.
